

Recommendations

To Do

- In Chester itself you can walk along the famous Rows above the shops and you can also do a walk around the Roman walls surrounding the city centre. There are other Roman sites you can go and see such as the Amphitheatre and the Roman Gardens.
- You can also walk down by the River Dee and also cross to the other side to walk along the meadows.
- There are lots of shops in Chester, and if you have a car you can also drive to Cheshire Oaks designer outlet village.
- Chester Zoo and Blue Planet Aquarium are both a short drive/taxi away but we would recommend you book if you want to go!
- Keep an eye out for open air theatre and moonlight flick events in Chester. Also be sure to check out the Storyhouse Theatre website to see what is on!
